### **About Tornado Global Hydrovacs Ltd.**

The Company designs and manufactures hydrovac trucks and provides heavy duty truck maintenance operations in central Alberta. It sells hydrovac trucks to excavation service providers in the infrastructure and industrial markets in Canada and the USA as well as provides heavy duty truck parts and services in Alberta. Hydrovac trucks use high pressure water to pulverize soil and turn it into mud, and then vacuum up the resulting mud into its tank. In China, the Company’s subsidiary is used principally to source certain parts to the Company’s North America operations.
